Make a Change this Summer

City Camp is an opportunity for high school youth to make a change in an urban community and themselves.

What is City Camp?

City Camp is a week long urban camping adventure. It combines the opportunities of a Christian camp with the life changing experience of urban mission work. Young people camp on the property of St. James the Less, while they run a day camp program, clean up vacant lots, tackle construction projects and much more. City Camp is an opportunity to create a community with common meals, prayer and service. It is an opportunity to make a Change.
